

Everlasting Summer

Custom Leisure Pool and Spa Enclosures

A Custom Touch

Exterior view of our cover photograph. Here the enclosure has been matched with the home by the addition of natural brick in select areas.

National service

This setting offers a dramatic surrounding for year-round swimming, whether it be lap swimming in the morning, children's entertainment center in the afternoon or a relaxing dip for adults in the evening.

The octagon end blends into the landscaping with the gable style end opening onto the patio, maximizing the entertainment area.

A Classic Design

The octagon end blends into the landscaping with the gable style end opening onto the patio, maximizing the entertainment area.

This enclosure surrounded by spacious grounds and a spectacular hillside view offers the family the perfect retreat to relax or entertain. With opening roof and sliding glass doors the unit can be opened for the balmy summer breezes or shut against winter's frosty bite.

Serenity Abounds

A recreational center for all seasons.

The country inn you've always looked for but never thought you'd find. Year-round facilities on 105 acres include indoor pool and spa, tennis, cross-country skiing, horse-drawn sleigh rides, boating and excellent fishing.

The Sterling Inn - High in the Poconos

The Sterling Inn recaptures the charm, relaxed graciousness and comfort of times gone by.

Garden Prairie lets the sun shine through and gives you the option of being open to the sky, let in the natural breezes or lock out inclement weather by closing the opening roof and sliding glass doors

Bring Your Pool or Spa Activities Indoors
